

On behalf of Cell Phones For Soldiers and the troops and veterans that benefit from your generous donation, thank you! Each donated used mobile phone allows Cell Phones For Soldiers to fulfill the mission of providing cost-free communication services to active-duty military members and emergency funding to veterans.

Thanks to kind people such as you, we can provide enriching experiences to troops who cannot talk to their families often, and to veterans who need emergency financial assistance.

Since 2004, [Minutes That Matter](#), the charity's long-standing calling card program, has provided more than 216 million minutes of free talk time for troops and veterans.

Since its July 2012 creation, [Helping Heroes Home](#) has assisted more than 2,800 veterans with one-time emergency needs such as communication services; paying for rent to avoid eviction; imperative car repairs; and more.

Due to the mobile phone recycling program, more than 11.7 million cell phones have been recycled since 2004, thus reducing the impact on landfills.

As an advocate for the charity, please encourage family and friends to support our military heroes by making a cash contribution or donating a mobile device to the program. Please keep in touch with Cell Phones For Soldiers by visiting www.cellphonesforsoldiers.com, or our social media pages: [Facebook](#), [Twitter](#), [Pinterest](#) and [Google+](#).

Again, we want to express our gratitude for your contribution. The success and growth of this program is directly impacted by your considerate support.

Many thanks,
